Dear Martin:

How do you like loafing?? Hope you're enjoying it but just in case you're getting bored perhaps you'd like to look over a prospective recruit!?

Attached is a short biographical sketch with address. Am enclosing PHS's in case you've run out. Don't bother having them filled in and returned, of course, if you don't think Koszorus would be a likely prospect.

No map of California at hand so don't know where Watsonville is but am sure you do.

Could only use Koszorus overseas since he would have to be contract type. Possible he wouldn't be interested having arrived in the U.S. so recently.

Hope all goes well with you.

Sincerely,

( )
